KASICH SIGNS S.B. 310

COLUMBUS—Today Gov. John R. Kasich signed the following bill:

S.B. 310 (Balderson) makes changes to the renewable energy, energy efficiency, and peak demand reduction requirements and creates a study committee.

Signed Wednesday, June 11:

H.B. 533 (McGregor & Mallory) provides that a toll project may include the substantial reconstruction or replacement of an existing toll-free highway, bridge, or tunnel, amends the law governing public-private agreements relative to transportation facilities, and provides for the collection of user fees on toll projects by toll project operators.
