Synopsis: The Ohio Association of Foodbanks, in partnership with the State of Ohio, is seeking to fund projects that build organizational capacity, expanding free tax assistance services and other OBB services for Ohioans that need them. Applicants will be asked to state how they will expand existing OBB tax assistance services and FAFSA and other benefit application services in their organization or community, OR how they will develop new OBB tax assistance services to complement their existing benefit application services.

Eligibility: Existing OBB sites that fall under one of the following categories:

- Nonprofit and neighborhood organizations
- Faith-based organizations (however, organizations may not use these grant funds to support worship, religious instruction, or proselytization)
- Government agencies
- Educational institutions
